*Open to non-matriculated students. Note that no more than 12 undergraduate or 10 graduate credits taken as a non-matriculated student can be transferred to a program.											
<sup>1</sup> Adjunct <sup>2</sup> Senior Associate <sup>3</sup> Senior Teaching Associate <sup>4</sup> Course Facilitator <sup>5</sup> Clinical Associate											
<sup>E</sup> This course may be used as elective credit.											
<sup>F</sup> Fast Track Course. A self-paced, fully online course completed independently by following structured sequenced & interactive online learning activities.											
Fast Track courses are offered at a reduced tuition cost.											

<sup>x</sup> Flex Track course. A flexible, instructor-lead course in which students work at their own pace to meet a series of deadlines. No in class or online meeting times required. <sup>x</sup> Flex Track courses are billed at the regular per credit hour tuition rate.								
<b>FORMAT/INSTRUCTIONAL METHOD:</b>								
<b>In-person:</b> The majority of instruction occurs in-person, with no more than 30% of instruction delivered via distance technologies.								
<b>Hybrid:</b> More than 30% but less than 80% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.								
<b>Online:</b> Atleast 80% but less than 100% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.								
<b>Complete Online:</b> 100% of class is delivered via distance ed. All class work, including exams, is online. No requirement for student to visit physical location of instruction.								
<b>Self-paced:</b> 1) instructional materials electronically including exams, 2) Interaction between instructor and student is limited, not regular and primarily initiated by student.
