*Open to non-matriculated students. Note that no more than 12 undergraduate or 10 graduate credits taken as a non-matriculated student can be transferred to a program.

^E This course may be used as elective credit.

^F Fast Track Course. A self-paced, fully online course completed independently by following structured sequenced & interactive online learning activities.

Fast Track courses are offered at a reduced tuition cost.

^X Flex Track course. A flexible, instructor-lead course in which students work at their own pace to meet a series of deadlines. No in class or online meeting times required. ^X Flex Track courses are billed at the regular per credit hour tuition rate.

FORMAT/INSTRUCTIONAL METHOD:

In-person: The majority of instruction occurs in-person, with no more than 30% of instruction delivered via distance technologies.

Hybrid: More than 30% but less than 80% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.

Online: At least 80% but less than 100% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.

Complete Online: 100% of class is delivered via distance ed. All class work, including exams, is online. No requirement for student to visit physical location of instruction.

Self-paced: 1) instructional materials electronically including exams, 2) Interaction between instructor and student is limited, not regular and primarily initiated by student.

For information on course textbooks, visit <http://urmc.bncollege.com>
