

Rochester Black Nurses Association and University of Rochester School of Nursing
Mentoring Program

The Rochester Black Nurses Association in conjunction with the University of Rochester School of Nursing, is offering a mentoring opportunity to APNN students. You will be paired with one of our 6 mentors who will be available to you, help you network, improve your study skills and time management, interview skills and more.

If interested, please [click here](#) to fill out interest form. All APNN students are welcome to the mentoring program!
