

Peer Mentor Take a Pulse Meeting December 2020

Examples of Interview questions for Graduate Nurses.

What is it about a nursing career that interests you.

Why did you decide to become a nurse.

Give an example of a situation where you are to deal with a difficult person/patient and how did you handle it.

How would you deal with a patient who is not satisfied with your care.

What kinds of personality traits are most effective for nurses to have.

What are some of the biggest challenges nurses face today.

Teamwork is essential to nursing. Can you give me an example of where you were part of a team.

Why do you want to work on this unit/hospital.

How do you deal with stress/crisis.

What are your strengths and weaknesses.

Questions to ask a manager/interviewer

What is included in the orientation for new graduates/nurses

What supports do you provide for new nurses

What is the culture of the unit

What might a typical day on the unit look like

Can you tell me what you love most about working here and why.

What is the nurse- patient ratio

Research the unit first. Know the patient population

Be aware of your what is posted on your social media.
