*Open to non-matriculated students. Note that no more than 12 undergraduate or 10 graduate credits taken as a non-matriculated student can be transferred to a program.											
^E This course may be used as elective credit.											
^F Fast Track Course: self-paced, fully online course completed independently by following sequenced online learning activities, and offered at a reduced tuition cost.											
^X Flex Track course: flexible, instructor-led course in which students work at own pace to meet deadlines. No meeting times required. Billed at regular per credit hour tuition rate.											
FORMAT/INSTRUCTIONAL METHOD:											
In-person: The majority of instruction occurs in-person, with no more than 30% of instruction delivered via distance technologies											
Complete Online: 100% of class is delivered via distance ed. All class work, including exams, is online. No requirement for student to visit physical location of instruction.											
Online: At least 80% but less than 100% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.											
Hybrid: More than 30% but less than 80% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.											
Self-paced: 1) instructional materials electronically including exams, 2) Interaction between instructor and student is limited, not regular and primarily initiated by student.
