

Curriculum Vitae

Chen Zhang, Ph.D., MPH

School of Nursing
University of Rochester Medical Center
255 Crittenden Blvd, Rochester, NY 14642
Phone: 585-276-6495
Email: chen_zhang@urmc.rochester.edu

EDUCATION

- **Postdoctoral fellow (2019)**, School of Nursing, University of Rochester Medical Center, Rochester, New York.
- **PhD (2017)**, Division of Epidemiology, School of Medicine, Vanderbilt University, Nashville, Tennessee (Dissertation: *Voluntary Medical Male Circumcision for Reducing HIV Incidence among Men Who Have Sex with Men*)
- **Master of Public Health (2010)**, Department of Social and Behavioral Health, School of Rural Public Health, Texas A&M Health Science Center, College Station, Texas
- **Bachelor of Medicine (2005)**, School of Public Health, Tongji Medical College, Wuhan, China

CERTIFICATION: Certified Public Health Practitioner, Ministry of Health in China, 2006

HONORS & AWARDS:

- 2018 Selected Mentee for the Social and Behavioral Science Research Network (SBSRN) 2018
- 2018 Health Disparity Research Institute Scholar, Bethesda, Maryland, U.S. 2018
- Student Travel Award: 1st CHPAMS conference, May 13-14 2016 Atlanta, GA, U.S. 2016
- Vanderbilt University International Scholarship (VISIP) Fellowship, U.S. 2013-2017
- International Scholarship for XIX International AIDS Society conference, Washington DC, U.S. 2012
- Poster award: Westlake Forum III: Healthcare Reform in China and the US: Similarities, Differences and Challenges. April 10-12, 2011, Atlanta, U.S. 2011
- International Scholarship for XVIII International AIDS Society conference, Vienna, Austria 2010
- Delta Omega, Alpha Tau Chapter Award by Texas A&M Health Science Center 2010
- Excellence in Abstract Submission among Student APHA Members, 2010 APHA 2010
- 2010 APHA HIV/AIDS Section Student Scholarship, Denver, CO, U.S. 2010

WORK EXPERIENCE:

Assistant Professor (Tenure-track), University of Rochester Medical Center, School of Nursing July 2019-

- Develops manuscripts based NIH sponsored projects (PI: Dr. James McMahon)
- Grant applications
- Teaching applied statistics among PhD students (NUR 510, NUR512)

Postdoctoral Research Associate, University of Rochester Medical Center, School of Nursing

July 2017-June 2019

- Develops manuscripts based NIH sponsored projects (PI: Dr. James McMahon)
- Grant applications
- Teaching applied statistics among PhD students (NUR512)

Research Assistant for Vanderbilt University, Division of Epidemiology

August 2013- May 2017

- Develops manuscripts based NIH sponsored projects (PI: Dr. Sten Vermund)
- Assists in grant applications
- Assists in preparing teaching graduate-level classes

Program Officer/Evaluation Specialist, Global Health Institute, School of Public Health, Emory University

March 2011-August 2013

- Plans and delivers training and technical assistance activities of the Emory Global Health Institute –China Tobacco Control Program (GHI-CTP)

- Manages training and technical assistance related services
- Works with other international tobacco control partners, government agencies, community groups and other organizations as necessary to promote collaboration and leverage resources
- Conducts program evaluation including evaluation protocol and tools, data management
- Develop manuscripts based upon the evaluation outcomes and data interpretation results

Research Assistant for Wayne State University Prevention Research Center August, 2008-present

- Develops 60+ abstracts for conference presentations, and 40+ manuscripts (15+ first-authored) based NIH sponsored projects (PI: Dr. Xiaoming Li)
- Assists in survey design, evaluation protocol development, data management and interpretation

Research Assistant for School of Public Health, Texas A&M Health Science Center August 2008-March 2011

- Assists in class preparation (PHSB 639: HIV/AIDS: Domestic and International Perspectives)
- Assists in grant applications: partnership coordination, materials preparation
- Assists in coordination and administrative work among project team members
- Program Coordinator, NIH funding-Health Maintenance Consortium and CDC funding-Cancer Survivorship Research, Texas A&M Health Science Center

Public Health Officer, Institute of Health Education, Beijing Center for Disease Control and Prevention

Aug 2005-Aug 2008

- *Program coordinator*, China CDC-PUMC-JHSPH project-Toward a Smoke-free China
- *Program coordinator*, "Health Beijing, Health Olympics" Media Campaign Office
- *Program co-investigator*, Smoke-free Hospital Program in Beijing
- *Program co-investigator*, WHO-Health Promotion School program
- *Consultant*, children safety programs
- *Core-officer* of Public Health Security Team for Beijing 2008 Olympics
- *Program Manager*, Road Traffic Safety in Beijing Program

Medical Residency in Union Hospital, XinHua Hospital, and Beijing CDC

- Residency in Department of Surgery, Department of Internal Medicine and ICU in XinHua Hospital of Hubei Province, China February 2004~August 2004
- Department of Infectious Disease in Union Hospital, Wuhan, Hubei, China February 2004~August 2004
- Departments of Nutrition, Environmental Health, HIV/AIDS in Beijing CDC, Beijing, CHN July 2005~August 2006

GRANT SUPPORT

On-going research support

CFAR Research Pilot Grant (PI: Chen Zhang) 06/01/2020-06/01/2021

Exploring barriers and facilitators of PrEP implementation among primary care providers in the United States.

Role: PI (Amount \$25,000)

R01 MD013553 (PI: James McMahon) 09/01/2018-04/30/2022

Multilevel determinants of HIV pre-exposure prophylaxis (PrEP) utilization and health disparities among Black and Hispanic women.

Role: Co-I (Amount \$2.05M)

School of Nursing Research Support Grant (PI: Chen Zhang) 09/01/2020-06/01/2021

Identify stage-specific barriers and facilitators in relation to PrEP use among high-risk women in New York State. The goal of this project is to underlying stage-specific beliefs (i.e., outcome, normative, and self-efficacy beliefs) that influence the intention-behavior relationship of PrEP use among high risk women in New York City.

Role: PI (Amount \$10,000)

Completed research support

R01MH107371 (PI: James McMahon) 08/01/2017 – 07/31/2022

PrEP Implementation with US HIV-serodiscordant Couples: Couples PrEP Demo Project

The goal of this project is to describe the temporal patterns and identify multilevel determinants of PrEP outcomes (e.g., awareness, uptake, retention in care, adherence, toxicity) among discordant couples in NYC.

Role: Postdoctoral fellow

School of Medicine and Dentistry, URM (PI: Yu Liu)

08/01/2018-08/01/2019

Assessing the role of HIV disclosure in health-related quality-of-life among older people living with HIV in the era of combination antiretroviral therapy

Role: Co-I (Amount \$ 25,000)

Joint URM SON/SMD Research Pilot Grant (PI: Chen Zhang and Yu Liu)

07/01/2018-12/01/2019

Exploring the multilevel determinants of HIV testing self-efficacy among young black men who have sex with men, The goal of this project is to explore the relationships between socioecological risk factors and the determining constructs of HIV testing self-efficacy, and the intention for frequent HIV testing among YBMSM in Nashville, TN.

Role: co-PI (Amount \$50,000)

R01HD074221(PI: Xiaoming Li)

08/01/2012–07/31/2017

National Institute of Child and Human Development

The goal is to assess the role of stigma and HIV disclosure in wellbeing among HIV affected children in China.

Role: Research Assistant

R01 AI094562-01 (PI: Sten Vermund)

03/15/2011 – 03/14/2016

NIH/NIAID Special Emphasis Panel Methods for Prevention Packages (MP3II)

Multi-component HIV Intervention Packages for Chinese MSM

The goal of this project is to develop and pilot test a package of Test and Link-to-Care (TLC)-based interventions for preparation of a future community-level randomized clinical trial (RCT).

Role: Research Assistant

R01AA018090-05 (PI: Xiaoming Li)

09/25/2008 – 08/31/2014

NIAAA

Venue-based HIV and alcohol use risk reduction among female sex workers in China

In this project, we developed and evaluated a venue-based multi-level behavioral intervention to reduce HIV risks and alcohol abuse among female sex workers in China.

Role: Research Assistant

TEACHING EXPERIENCE

University of Rochester Medical Center- NUR 512: Applied Statistics II

2020 Spring-present

Role: Lecturer

University of Rochester Medical Center- NUR 512: Applied Statistics II

2019 Spring

Role: Co-lecturer

University of Rochester Medical Center- NUR 512: Applied Statistics II

2018 Spring

Role: Teaching Assistant

Vanderbilt Master of Science in Clinical Investigation Program (MSCI-5044 Clinical Trial)

Role: Teaching Assistant

01/07-04/20/2015

Emory Global Health Institute –China Tobacco Control Program (Summer Intern Seminar)

Role: Co-Instructor

06/2012

GUEST LECTURE:

- Model Building for Advanced Epi Method (PM 416, core course in the PhD Epidemiology program in URM)
- Dynamic Model Application for Infectious Disease (PM451, core course in the PhD Epidemiology program in URM)
- Systematic-review and Meta-analysis for Research Appraisal and Synthesis (NUR507, core course in the PhD School of Nursing program in URM)
