CERTIFICATIONS:

2015 – present Clinical Nurse Specialist in Pediatrics, New York State

2011 – present
2022 - present

Certified Pediatric Nurse Practitioner in Primary Care
Certified Pediatric Nurse Practitioner in Acute Care

FACULTY APPOINTMENTS:

8/2022 – present

Specialty Director
Pediatric Acute Care Nurse Practitioner Program
Rochester, NY

- Instructing Pediatric Nurse Practitioner (PNP) students certified in Primary Care to become eligible to sit for Acute Care certification (NUR 433 and NUR 434)

7/2019 – present

Assistant Professor of Clinical Nursing
University of Rochester School of Nursing
Rochester, NY

- Instructing PNP and Family Nurse Practitioner (FNP) students enrolled in Advanced Health Assessment (NUR 410) and Pediatric Primary Care I (NUR 437)
- Specialty Director and Instructing Post Masters Certificate PNP students in the Peds Acute Care program

5/2017 – 5/2019

Adjunct Faculty Professor
St. John Fisher College
Rochester, NY

- Conducted clinical site visits for over 50 FNP students who were completing their pediatric clinical rotation at practices throughout the local community
- Negotiated win-win situations between FNP students, their preceptors, and the college

Summer 2011

Clinical Instructor
University of Rochester, School of Nursing
Rochester, NY

- Instructed group of 8 undergraduate nursing students in their pediatric clinical rotation on a pediatric general care unit
- Demonstrated clinical expertise to Bachelor's degree candidates

PROFESSIONAL EXPERIENCE:

6/2018 – present

Inpatient Pediatric APP, Department of Pediatrics
Golisano Children's Hospital
Rochester, NY

- Caring for children with a myriad of health concerns, including: hematology-oncology, renal, gastrointestinal, hospital medicine
- Received multiple Strong Star awards for exemplary care

6/2018 – 6/2019

Senior PFCC Officer and GetWellNetwork System Manager
Strong Memorial Hospital/Golisano Children's Hospital
Rochester, NY

- Oversaw education and systems innovation with GetWellNetwork, an interactive patient care system
- Worked collaboratively with an interprofessional team including nutrition, environmental services, and lactation consultants to implement easy access to services through GetWellNetwork
- Co-led the PFCC Service Line Leaders
- Facilitated the PFCC Spring 2018 Retreat, attended by approximately 50 staff members across URM

9/2017 – 6/2018

Magnet Program Director
Rochester General Hospital
Rochester, NY

- Coordinated Rochester General's Magnet® programming, including authorship of the hospital's fourth redesignation document

11/2015 – 9/2017

Pediatric Educator
Clinical Education Department
Rochester Regional Health
Rochester, NY

- Coordinated education for nurses caring for children throughout Rochester Regional Health
- Directed Pediatric Orientation, a comprehensive educational program for pediatric nurses
 - April 2016→April 2017, 76 RNs attended
 - Of these RNs, there was a 34% improvement in knowledge for fundamental principles of caring for children demonstrated between pre- and post-test evaluations
- Authored/revised policies and procedures
- Implemented new Pediatric Rapid Response Team at Rochester General Hospital
- Authored Special Care Nursery's Beacon application (awarded Silver recognition)
- Facilitated multiple interprofessional pediatric mock codes

11/2015 – 9/2017

PALS/PEARS Faculty Instructor
Rochester General Hospital and Rochester Regional Health
Rochester, NY

- Instructed students using the American Heart Association's guidelines for providing pediatric stabilization/management of critically ill pediatric patients so that students can certify or renew their PALS or PEARs provider cards

- Mentored 21 new instructors to their roles as of July 2017, and verified their competence for instruction
- Implemented PALS programming at three of the five acute care hospitals at Rochester Regional Health
- Experienced 50% growth in number of PALS classes held throughout Rochester Regional Health under my direction in 2016, with 173 students successfully obtaining their PALS certification and 25 students successfully obtaining their PEARS certification

4/2011 – 10/2015

Pediatric Service Educator, Clinical Nurse Specialist
Golisano Children's Hospital
University of Rochester Medical Center
Rochester, NY

- Co-authored institution's Pediatric Sepsis recognition and management protocols, which served as a template for multiple hospitals' protocols throughout upstate NY
- Submitted pediatric severe sepsis and septic shock data to NYS
- Championed the GetWellNetwork, an educational interactive patient care system
- Directed pediatric nursing service orientation
- Wrote competencies/test questions for nursing staff
- Coordinated pediatric policy and procedural review for the hospital

2009 – 2015

PALS/PEARS Faculty Instructor
Strong Memorial Hospital
University of Rochester Medical Center
Rochester, NY

- Instructed students using the American Heart Association's guidelines for providing pediatric stabilization/management of critically ill pediatric patients so that students were able to certify or renew their PALS or PEARS provider cards
- Mentored new instructors to their roles, and verified their competence for instruction

2004 – 2015

Pediatric Clinical Resource Nurse (Nurse Leader)
Golisano Children's Hospital
University of Rochester Medical Center
Rochester, NY

- Acted as coordinator of pediatric admissions, discharges, and transfers
- Acted as liaison between patients, families, and Strong Memorial Hospital; as well as between the Pediatric

Emergency Department, Pediatric Intensive Care Unit, and inpatient units

- Resource for difficult phlebotomy draws and IV starts
- Resource for Broviac line repairs

2002 – 2006; 2009 – 2011

Transport RN (Senior Level III)
Golisano Children’s Hospital
University of Rochester Medical Center
Rochester, NY

- Transported pediatric patients via ground and air from outlying hospital to Golisano Children’s Hospital for further care
- Utilized skills in phlebotomy and IV placement, airway management, monitoring, assessment, vasoactive drips, ventilators, traumas, and more
- Mentored Pediatric Intensive Care Unit orientees to the transport nurse role, and acted as a general resource for nursing needs throughout the pediatric service

2000 - 2006

Staff RN (Level III), Pediatric Intensive Care Unit
Golisano Children’s Hospital
University of Rochester Medical Center
Rochester, NY

- Preceptor from 2002 – 2006, charge nurse oriented
- Created and oversaw the Scheduling Committee
- Conducted research on the unit in order to increase staff satisfaction with the scheduling process, as well as implemented a new scheduling computer program called Med Scheduling System (MSS)
