## ACADEMIC PREPARATION

2016	<b>Fellowship</b>   University of Rochester Medical Center, Wilmot Cancer Institute <i>Cancer Control and Research Training Fellowship (R25T), Cancer Control and Survivorship, Behavioral Medicine Unit</i>
2003	<b>Ph.D.</b>   University of Rochester School of Nursing, Rochester, New York <i>Nursing</i>
1992	<b>N.P.</b>   University of Rochester School of Nursing, Rochester, New York <i>Adult Nurse Practitioner, Oncology Specialty</i>
1986	<b>M.S.</b>   University of Rochester School of Nursing, Rochester, New York <i>Nursing, Medical/Surgical Tract, Oncology Specialty</i>
1979	<b>B.S.</b>   University of Albany, Albany, New York <i>Nursing; cum laude</i>
1978	<b>Fellowship</b>   Roswell Park Cancer Center, Buffalo, New York <i>Cancer Nursing Fellowship</i>

## PROFESSIONAL EXPERIENCE

### University of Rochester School of Nursing, Rochester, NY

2025–Present	Professor of Clinical Nursing
2022–Present	Director, Ph.D. Program
2020–2025	Associate Professor (tenure track)
2016–2020	Assistant Professor (tenure track; primary)
2013–2016	Research Associate (secondary)
2010–2013	Assistant Professor (tenure track, primary)
2003–2010	Assistant Professor of Clinical Nursing (secondary)
1992–2003	Senior Associate (secondary)
1987–1992	Instructor Clinical Nursing (secondary)

### University of Rochester Medical Center, Rochester, NY

2016–Present	NCI Community Oncology Research Program Faculty, Cancer Control and Survivorship Behavioral Medicine Unit (secondary)
2013–2016	Research Assistant Professor, Department of Surgery (secondary)

### University of Rochester School of Medicine and Dentistry, Rochester, NY

2013–2016	NCI R25 Cancer Control Research Fellow, Department of Radiation Oncology and Wilmot Cancer Institute, Cancer Control and Survivorship Research Program (primary)
-----------	--

### James P. Wilmot Cancer Center, University of Rochester Medical Center, Rochester, NY

1998–2009	Senior Nurse Practitioner (primary)
1992–1998	Nurse Practitioner (primary)
1987–1992	Clinical Nurse Specialist (primary)
1986–1987	Special Project Nurse

**Strong Memorial Hospital, Rochester, NY**

1985–1986                      Assistant Nurse Manager  
 1979–1983                      Level I-III Staff RN

**Saint Elizabeth’s Hospital, Utica, NY**

1983–1985                      Nurse Manager

**AWARDS & HONORS**

2025                      Mary Dombeck Diversity Enhancement Faculty Award, University of Rochester School of Nursing

2024                      Finalist Nursing and Allied Health Award, International Society Geriatric Oncology, Montreal, Canada

2022                      Cynthia N. Rittenberg Award in Excellence from the Multinational Association of Supportive Care in Cancer

2021                      First Place Abstract Palliative and Psychosocial Care Topics, ONS-NCI-NINR Scientific Colloquium

2019                      Josephine Craytor Nursing Faculty Award for Excellence in Teaching

2017                      Elaine C. Hubbard Center for Nursing Research on Aging Award, University of Rochester School of Nursing, \$2,500

2017                      Promising New Investigator, University of Rochester School of Nursing

2015                      Conquer Cancer Foundation of ASCO Merit Award, Palliative Care American Society of Clinical Oncology, \$1,000

2015                      Travel Award, Cancer and Aging Research Group U-13 Meeting

2014                      Nurse of the Year-Oncology, March of Dimes, Rochester, NY

2004                      Outstanding Scholarly Practitioner, University of Rochester School of Nursing

2000                      Kathleen Donohoe Doctoral Student Award for Scholarly Nurse Practitioner, University of Rochester School of Nursing

1998                      Research Short Course, National Institutes of Health/Oncology Nursing Foundation

1996                      Oncology Nursing Foundation Scholarship, Congress, \$1,000

1995                      Outstanding Oncology Nurse, Genesee Valley Oncology Nursing Society

1995                      Doctoral Scholarship, Oncology Nursing Foundation, \$3,500

1995                      Doctoral Scholarship, Nurse’s Educational Funds, \$4,500

1993                      Outstanding Poster Presentation, Society of Gynecologic Oncology Nurses, Newport Beach, CA

1991                      Outstanding Faculty Colleague, University of Rochester School of Nursing

1986                      Sarah and Ernest Taylor Memorial Nursing Award for Clinical and Theoretical Excellence, Compassion in Patient Care, and Commitment to the Nursing Profession, University of Rochester School of Nursing

1979                      Elected Graduation Class Speaker, University of Albany, Albany, NY

## RESEARCH

### Current

**2022–2028 High-dose Vitamin D supplementation for ADT-induced bone loss in older prostate cancer patients.**

*NCI (total award \$3,191,078)*

Major Goal: The purpose of this trial is to determine if high-dose Vitamin D supplementation is effective at decreasing the loss of bone mineral density in older men with prostate cancer receiving androgen deprivation therapy. Additional aims will examine the effects on muscle mass, falls, balance, and fractures. This is a multisite national clinical trial conducted through the URCC NCORP.

Role: Co-investigator (PI: Peppone), major responsibilities are for patient-reported outcome expertise and content expertise in geriatric oncology.

**2020–2026 Optimizing functional outcomes of older survivors after chemotherapy.**

*NIH R01CA249467 (total grant funding \$ 3,850,000)*

Major Goal: The overarching goal of this proposal is to evaluate whether a standardized Geriatric Evaluation and Management intervention combined with a Survivorship Health Promotion program can improve outcomes of older survivors and their caregivers in the transition following curative-intent chemotherapy. This is a multisite national clinical trial conducted through the URCC NCORP.

Role: Co-Investigator (PIs: Mohile, Mustian, Janelins), lead scientist for symptoms, priority setting, and advanced practice provider educational training development and delivery.

**2019–2025 University of Rochester Cancer Center National Cancer Institute (NCI) Community Oncology Research Program (NCORP) Research Base.**

*NIH NCI UG1 189961 renewal (annual grant funding 5,863,483)*

Major goal: Infrastructure grant to support an NCI-funded research base that designs and implements cancer control and care delivery studies nationally with affiliated community oncology practice sites.

Role: Co-Investigator (PIs: Morrow, G. and Mustian, K.), develop and implement new studies with a specific focus on the cancer care delivery research mission. Serve as a resource to external faculty members and review and approve protocols.

**2018–2026 Implementing palliative care: Learning collaborative vs. technical assistance.**

*NIH NCI RO1 CA229197 02 (University of Birmingham Subcontract, total grant funding \$5,888,866)*

Major goal: The primary objective of this URCC NCORP cluster randomized trial is to determine if virtual learning collaborative or technical assistance results in improved implementation of an early oncology palliative care intervention (ENABLE). This is a multisite national clinical trial conducted through the URCC NCORP.

Role: Co-Investigator (PI: Zubkoff, L.), research base faculty member.

**2018–2025 Understanding treatment tolerability in older patients with cancer.**

*NIH, NCI 1U01CA233167-01 (total funding \$3,003,493)*

Major Goal: Report association of Patient Outcomes version of the Common Terminology Criteria for Adverse Events (PRO-CTCAE) with tolerability of treatment for advanced cancer in older patients with age-related conditions.

Role: Co-Investigator (PI: Mohile, S.), lead scientist for patient-reported outcomes

### **Completed: Principal Investigator**

- 2015–2017     **Patient-prioritized symptom relief.**  
*Wilmot Cancer Center Pilot Seed Grant, \$25,000.*  
Major Goal: Focus on patient-identified important and bothersome symptoms and communication that occurs during outpatient visits about symptoms among frail older adults, their caregivers, and their oncologists.
- 2016–2017     **Multisite feasibility study of electronic patient-reported data capture for symptoms in patients with lung cancer.**  
*Pilot study with URCC NCORP Cancer Care Delivery Research (CCDR) Funds. This was an internally funded pilot study under the NIH NCI UG1 189961 grant. Approval of the concept idea was obtained from our NIH program officer prior to the release of resources to conduct the study. No dollar amount was assigned; rather, existing resources were allocated for the conduct of the work.*  
Major Goal: NCI-approved preparatory work to gather pilot data for developing CCDR concepts to be conducted in the URCC NCORP.
- 2012–2015     **Lung cancer: Structured pain and symptom assessment for improved functional well-being.**  
*Oncology Nursing Society Foundation, total funding \$10,000 (Supplemental support from Faculty Research Support Grant, University of Rochester School of Nursing, \$16,000)*  
Major Goal: Pilot testing of a theory-derived structured nursing assessment for individuals with advanced cancer.
- 2007–2009     **Phone calls in ambulatory oncology: nursing management.**  
*Faculty Research Support Grant, University of Rochester School of Nursing, total funding \$24,000*  
Major goal: A retrospective review of telephone calls to the ambulatory cancer center to determine patient concerns and nursing responses.
- 2000–2003     **Examining predictors of the association between pain and opioid use in cancer patients.**  
*Cancer Action/Gilda's Club, total funding \$10,000*  
Major goal: Doctoral dissertation investigating factors associated with opioid use in community dwelling adults with advanced cancer.

### **Completed: Co-Investigator**

- 2021–2022     **A mixed methods study to understand perceptions of oncologist communication among older African American/Black patients with cancer and their caregivers: the influence of medical mistrust.**  
*Wilmot Cancer Institute Community Pilot Award Program (total award \$30,000)*  
Major Goal: The overarching goal of this proposal is to address unmet community needs of the catchment area and to fund promising pilots for future external funding opportunities.  
Role: Co-Investigator (PI: N. Gilmore), expert for mixed methods.

- 2020–2021 **Refinement and pilot testing of a couple-based uncertainty management intervention for patients with gynecological cancer and their partners.**  
*Oncology Nursing Society Foundation (total award \$ 50,000)*  
Major Goal: The overarching goal of this proposal is to develop and test a tailored uncertainty management intervention for couples dealing with gynecological cancer. If established, it provides support for larger-scale efficacy testing.  
Role: Co-Investigator (PI: Y. Zhang), mentor and content expert
- 2016–2019 **University of Rochester Cancer Center National Cancer Institute (NCI) Community Oncology Research Program (NCORP) Research Base.**  
*NIH NCI UG1 189961 (total grant funding 2014-2019; \$18,652,995)*  
Major goal: Infrastructure grant to support an NCI-funded research base that designs and implements cancer control and care delivery studies nationally with affiliated community oncology practice sites.  
Role: Co-Investigator (PI: Morrow, G.), develop and implement new studies with a specific focus on the cancer care delivery research mission; serve as a resource to external faculty members, review, and approve protocols.
- 2015–2017 **Geriatric oncology research to improve outcomes of frail older adults with cancer.**  
*URCC16075RSRB00064505 Wilmot Cancer Institute Pilot Program Award, \$125,000*  
Major Goal: To develop a group of investigators who work together to implement translational pilot studies in geriatric oncology and apply for collaborative NIH grants  
Role: Co-Investigator (PI: Mohile, S.), design of projects and interpretation of results.
- 2013–2019 **Reducing chemotherapy toxicity in the older adult.**  
*National Cancer Institute, 1R01CA177592-01, total funding \$3,048,239*  
Major goal: To evaluate the impact of geriatric assessment on reducing chemotherapy toxicity in a cluster randomized trial conducted through URCC NCORP (formerly CCOP)  
Role: Co-Investigator (PI: Mohile, S.), lead scientist for symptoms
- 2013–2017 **Improving communication for chemotherapy: Addressing concerns of older cancer patients and caregivers.**  
*Patient Centered Outcomes Research Institute (PCORI), CD-12-11-4634, total funding: \$2,097,044*  
Major goal: A national cluster randomized trial conducted through URCC NCORP. The primary aim is to determine whether providing older patients, their caregivers, and oncologists with geriatric assessment information prior to making a decision regarding cancer treatment for advanced cancer can improve communication regarding age-related concerns and patient/caregiver satisfaction. This is a multisite national clinical trial conducted through the URCC NCORP.  
Role: Co-Investigator (PI: Mohile, S.), lead scientist for symptoms

### **Completed: Co-Investigator**

*Prior to primary School of Nursing appointment*

- 1992–1995 **An educational program to reduce cancer pain.**  
*NCI, R25CA057939, \$140,017*  
Major Goal: Development and delivery of a standardized cancer pain assessment and management curriculum for medical residents and masters nursing students.

Role: Co-Investigator (PI: Smith, J.), curriculum development and delivery.

1991–1993 **Characteristics of stomatitis in cancer patients.**

*American Cancer Society Institutional Research Grant, \$4,375.00*

Major Goal: To characterize stomatitis for individuals receiving outpatient chemotherapy through the use of daily patient log and weekly nursing assessment.

Role: Co-Investigator (PI: Greene, D.), patient screening & recruitment, training nursing staff on oral assessment, and data collection.

1986–1989 **Use of a symptom control checklist and prototype patient classification system to document ambulatory oncology nursing care.**

*Strong Memorial Hospital Innovations and Patient Care Research Program, total funding \$14,082*

Role: Co-Investigator (PI: Jones, L.), development of checklist, staff education, and data collection.

1986–1988 **Use of the telephone in delivering nursing care to ambulatory oncology patients.**

*University of Rochester Medical Center, School of Nursing Dean, and Strong Memorial Hospital Directors Office (total funding approximately \$10,000)*

Major goal: To describe all telephone calls between patients and nurses to the ambulatory cancer center medical oncology practice over a six-month time frame.

Role: Co-Investigator (PI: Nail, L.), data collection, staff education, and quality monitoring.

**Selected Presentations (National/International)**

\*with mentored students, #International

- 2024      #Examining Completion of Patient-Reported Outcomes in A Multisite Clinical Trial by Older Adults with Advanced Cancer: Implications for Future Trial Design and Conduct. Podium presentation at: International Society of Geriatric Oncology Annual Meeting; Montreal, Canada. (Finalist for the Nursing and Allied Health Award)
  
- 2023      Comorbidities and patient-reported outcomes in individuals with cancer: Focus on symptoms and function. Invited speaker at: National Cancer Institute recorded webinar.
  
- 2022      Older adults with advanced cancer: Decision regret and adverse events during cancer treatment. Podium presentation at: Council for the Advancement of Nursing Science; Washington, D.C.
  
- 2022      Harnessing the power of NCORP collected PRO data to optimize patient care: Key findings from the NCI Moonshot Tolerability Treatment Consortium. Invited speaker and plenary session panelist at: National Cancer Institute NCORP Meeting (virtual).
  
- 2022      Enhancing the role of advanced practice providers in oncology trials – Educational workshop. Invited speaker at: Southwest Oncology Group Fall Meeting; Chicago, IL.
  
- 2022      Older adults with advanced cancer: Decision regret and adverse events during cancer treatment. Podium presentation at: Council for the Advancement of Nursing Science, State of the Science; Washington, D.C.
  
- 2022      #Examining decision regret and associated factors among older adults with advanced cancer receiving systemic treatment. Podium presentation at: Multinational Association of Supportive Care in Cancer; Toronto, Canada. (Cynthia N. Rittenberg Award in Excellence from the Multinational Association of Supportive Care in Cancer)
  
- 2022      #Factors Associated with Decision Regret in Older Adults with Advanced Cancer Receiving Systemic Treatment. Podium presentation at: International Society for Geriatric Oncology Annual Meeting; Geneva, Switzerland. (Finalist for the Nursing and Allied Health Award)
  
- 2022      #Trajectory of functional decline and loss of independence in activities of daily living in older adults with advanced cancer receiving treatment. Presented by Culakova, E. at: International Society of Geriatric Oncology Annual Meeting; Geneva, Switzerland.
  
- 2022      Impact of clinical adverse events and symptomatic toxicity on daily functioning of older adults with advanced cancer treated with systemic therapy. Presented by Culakova, E. at: American Society of Clinical Oncology Quality Care Symposium; Chicago, IL.
  
- 2022      The Expanding Role of the Advanced Practice Provider in National Cancer Institute Sponsored Trials. Presented by C. Ingalls-Braun at: Journal of Advanced Practitioner in Oncology - Live Annual Meeting; Denver, CO.
  
- 2022      Enhancing advanced provider participation in clinical research. Invited speaker and panel member at: Special Symposium *Southwest Oncology Group* (virtual).

- 2021 Using Sankey Flow Diagrams to visualize the symptom experience in older adults with cancer. Presented at: Symptom Science Advances in Oncology Nursing/ONS-NCI-NINR Symptom Science Colloquium (virtual).
- 2021 A geriatric assessment intervention to reduce treatment toxicity in older patients with advanced cancer: A University of Rochester Cancer Center NCI community oncology research program cluster randomized clinical trial. Podium presentation by Mohile, S.G. at: American Society of Clinical Oncology Annual Meeting (virtual).
- 2020 Effects of a geriatric assessment intervention on symptomatic toxicity burden reported by older adults with advanced cancer during treatment. Presented by E. Culakova at: American Society Clinical Oncology Quality Care Symposium (virtual).
- 2020 #Patient-reported numbness and tingling augments Common Terminology Criteria for Adverse Events (CTCAE) to detect chemotherapy-induced peripheral neuropathy (CIPN) in older adults with advanced cancer undergoing systemic treatment. Poster presented by E. Culakova at: International Society of Geriatric Oncology Annual Meeting (virtual).
- 2020 Using Machine learning to identify older adults at risk for hospitalizations and mortality via the Patient Reported Outcomes version of the Common Terminology Criteria for Adverse Events. Presented by H. Xu at: American Society Clinical Oncology Quality Care Symposium (virtual).
- 2020 #Patient-reported symptom burden and association of geriatric assessment impairments with the symptom burden in older adults with advanced cancer receiving systemic treatment. Poster presented by E. Culakova at: International Society of Geriatric Oncology Annual Meeting (virtual).
- 2020 Patient reported outcome common terminology criteria for adverse events: Free-text symptom responses in older adults. Presented at: *Council for the Advancement of Nursing Science* (virtual).
- 2019 Improving person-centered communication of goals, proxy and advanced directives in older patients with advanced cancer: Secondary analysis from a University of Rochester NCI Community Oncology Research Program Cluster Randomized Control Trial. Poster presented at: American Society Clinical Oncology Annual Meeting; Chicago, IL.
- 2019 #Patient-reported outcome completion in older adults with advanced cancer: A University of Rochester National Cancer Institute Community Oncology Program Trial. e-Poster presented at: Multinational Association of Supportive Care in Cancer Annual Meeting; San Francisco, CA.
- 2019 Association between caregiver-oncologist discordance in length of life estimates for the patient and caregiver satisfaction. Podium presentation by Loh, K.P. at: American Geriatrics Society Annual Meeting; 7-9 May 2019, Long Beach, CA.
- 2018 Willingness to bear adversity and beliefs about the curability of advanced cancer in older adults. Podium presentation by Loh, K.P. at: American Society of Clinical Oncology Palliative and Supportive Care in Oncology Symposium; San Diego, CA.

- 2018 #Four-month feasibility study of electronic patient-reported symptoms data capture and extraction: University of Rochester NCI Community Oncology Research Program. e-Poster presentation at: Multinational Association of Supportive Care in Cancer Annual Meeting; Vienna, Austria.
- 2018 Electronic patient-reported symptoms: Feasibility study for University of Rochester NCI Community Oncology Research Program. e-Poster presented at: Society of Behavioral Medicine Annual Meeting; New Orleans, LA.
- 2018 Enhancing geriatric oncology care with a multi-disciplinary, multi-site geriatric oncology clinical and research program. Podium presentation at: American Psychosocial Oncology Society; Tucson, AZ.
- 2017 #The relationship between geriatric impairments, symptom severity and quality of life in 342 older adults with advanced cancer: A University of Rochester NCI Community Oncology Research Program (UR NCORP) multisite trial. Podium presentation at: International Society Geriatric Oncology Annual Meeting; Warsaw, Poland (Finalist for Nursing Research Award).
- 2017 \*#Multiple symptoms and patient reported importance from 109 vulnerable older adults with advanced cancer. Podium presentation at: International Society of Nurses in Cancer Care; Anaheim, CA.
- 2017 \*Baseline Symptoms in 348 older adults with advanced cancer: Findings from a national clinical trial. e-Poster presented at: Oncology Nursing Society; Denver, CO.
- 2017 Examining distress level and symptom burden in 366 geriatric oncology patients. e-Poster presented at: American Psychosocial Oncology Society; Orlando, FL.
- 2017 Modeling of quality of life in older adults with advanced cancer: Data from a URCC NCORP multisite trial. Poster presented at: American Society Clinical Oncology Palliative Care; San Diego, CA.
- 2016 #Fatigue is associated with impairments in instrumental activities of daily living and decreased physical performance in older adults with cancer. Podium presentation at: Multinational Association of Supportive Care in Cancer; Adelaide, Australia.
- 2016 Examining the patient's identified priority symptom in advanced lung cancer. e-Poster presented at: Oncology Nursing Society Congress; San Antonio, TX.
- 2016 Older adult cancer survivors' preferences for survivorship information: Findings from the LIVESTRONG national data set. Podium presentation at: Council for the Advancement of Nursing Science; Washington, D.C.
- 2015 #Feasibility of a structured symptom assessment intervention: Lung cancer pilot study. Podium presentation at: International Conference on Cancer Nursing; Vancouver, Canada.
- 2015 Comparison of older adult symptom occurrence rates in a geriatric-oncology clinic with meta-analysis for adults receiving chemotherapy. Poster presented at: American Society Clinical Oncology Palliative Care; Boston, MA.

- 2015 Age-related differences in symptom burden in adults with dyspnea and advanced stage cancer. Poster presented at: Society of Behavioral Medicine; San Antonio, TX.
- 2014 Palliative care needs: Symptom reporting during geriatric oncology evaluation. Poster presented at: American Society Clinical Oncology Palliative Care; Boston, MA.
- 2014 #Exploratory analysis of chemotherapy induced peripheral neuropathy (CIPN), concurrent symptoms and interference with walking and general activity: A URCC CCOP Research Base Study. Podium presentation at: Multinational Association of Supportive Care in Cancer; Miami, FL.
- 2014 Mild distress and multiple symptoms. Podium presentation at: American Psychosocial Oncology Society; Tampa, FL.
- 2014 Multiple symptoms in advanced cancer have a super additive effect on quality of life and depression. Podium presentation at: Council for the Advancement of Nursing Science; Washington, D.C.
- 2014 Design, conduct and testing of theory-based interventions: Exemplars, challenges. Speaker and symposium chair at: Eastern Nursing Research Society; Philadelphia, PA.
- 2014 Self-Regulation Theory: RCT of structured symptom assessment for individuals with lung cancer. Poster presented at: Eastern Nursing Research Society; Philadelphia, PA.
- 2013 Maximizing feasibility design and conduct in a randomized clinical trial. Poster presented at: Oncology Nursing Society Connections; Dallas, TX.
- 2013 Establishing win-win N.P./Ph.D. collaboration for research recruitment. Poster presented at: Oncology Nursing Society Congress; San Antonio, TX.
- 2013 Examining underuse of opioid medications by individuals with cancer. Podium presentation at: Eastern Nursing Research; Boston, MA.
- 2012 Naturalistic symptom reporting by telephone. Poster presented at: Oncology Nursing Society Connections; Phoenix, AZ.

*(Prior to school of nursing appointment)*

- 2009 Examining opioid underuse by individuals with cancer. Podium presentation at: Cancer Nursing Research; Orlando, FL.
- 2009 Nurses time investment and care management in ambulatory oncology phone calls. Poster presented at: Cancer Nursing Research; Orlando, FL.
- 2007 Describing nursing triage of oncology patients' telephone calls. Podium presentation at: Oncology Nursing Society Congress; Las Vegas, NV.
- 2007 Please call if you have a problem: Nursing management of oncology telephone calls. Podium presentation at: Cancer Nursing Research; Hollywood, CA.

- 2003      Quality of life for lung cancer patients receiving pulsed paclitaxel with concurrent radiation therapy: A companion study. Podium presentation at: Cancer Nursing Research; San Diego, CA.
- 1999      Cancer patient satisfaction with pain management. Podium presentation at: Cancer Nursing Research; Newport Beach, CA.
- 1998      Cancer pain knowledge & attitudes: Comparing nurses and physicians in training. Podium presentation at: Oncology Nursing Society Congress; San Francisco, CA.
- 1994      Pain management in cervical cancer. Invited podium presentation at: Society of Gynecologic Nurse Oncologists Annual Symposium; Orlando, FL.
- 1993      Advances in cancer pain management. Keynote presentation at: Oncology Nursing Society, New Jersey Interest Group; Atlantic City, NJ.
- 1993      Faculty development of Nurse Practitioner skills and an advanced practice clinical site. Invited podium presentation at: Educators Forum, Oncology Nursing Society; Orlando, FL.
- 1992      Implementing a familial ovarian screening program. Podium presentation at: Oncology Nursing Society Congress; San Diego, CA.

### **Selected Abstracts/Presentations by Student Mentees**

- 2024      Zhang, Z., Culakova, E., Loh, K.P., Mohile, S., **Flannery, M.** Understanding the trajectory of pain in older adults with advanced incurable cancer during cancer treatment through the perspective of resilience. Podium presentation at: Eastern Nursing Research Society 36<sup>th</sup> Annual Scientific Sessions; Boston, MA.
- 2023      \*Zhang, Z., Culakova, E., Loh, K. P., Mohile, S., **Flannery, M.** Understand Variable Symptom Trajectories Using the Trans-NIH Resilience model: Fatigue during cancer treatment as an example. Podium presentation at: American Psychosocial Oncology Society; March 15-17, 2023; Portland, OR.
- 2023      \*Zhang, Z., **Flannery, M.** A Scoping Review of Resilience Measures in Older Adults with Cancer. Poster presentation at: Eastern Nursing Research Society 35<sup>th</sup> Annual Scientific Sessions; March 23-24, 2023; Philadelphia, PA.
- 2023      \*Choi, Y., Przybylec, S., Blazey, M., **Flannery, M.** Admission requirements for PhD in Nursing. Poster presentation at: Eastern Nursing Research Society 35<sup>th</sup> Annual Scientific Sessions; Philadelphia, PA.
- 2023      \*Vernetti, E., LeBlanc, N., **Flannery, M.** An Evolutionary Multidisciplinary Concept Analysis of Stigma in the Context of Sexual Assault. Poster presentation at: Eastern Nursing Research Society 35<sup>th</sup> Annual Scientific Sessions; March 23-24, 2023; Philadelphia, PA.
- 2022      \*Zhang, Z., Heffner, K., **Flannery, M.** Resilience in older adults with cancer: A scoping review based on Trans-NIH Resilience Model. Podium presentation at: Council for the Advancement of Nursing Science; September 15-17, 2022; Washington, D.C.
- 2022      \*Choi, Y., **Flannery, M.** An analysis of Cognitive Evaluation Theory. Presented at: Eastern Nursing Research Society 34<sup>th</sup> Annual Scientific Sessions; Providence, RI.

- 2021 \*Zhang, Z., Yang, Y., **Flannery, M.** Resilience in adults with cancer: A concept clarification. Virtual presentation at: Eastern Nursing Research Society 33<sup>rd</sup> Annual Scientific Sessions.
- 2021 \*Zhang, Z., Yang, Y., **Flannery, M.** Resilience in adults with cancer: A concept clarification. Virtual presentation at: Eastern Nursing Research Society 33<sup>rd</sup> Annual Scientific Sessions.
- 2019 \*Dzikowicz, D., Chuang, Y.C., **Flannery, M.** The Scaffolding Theory of Aging and Cognition: A theory analysis focused on cardiovascular health and level of cognitive function. Presented at: Eastern Nursing Research Society 31<sup>st</sup> Annual Scientific Sessions; Providence, RI.
- 2019 \*Dougoud, N., Norton, S., **Flannery, M.**, Quill, T. Family member contributions in palliative care consultations among patients with advanced cancer. Presented at: Eastern Nursing Research Society 31<sup>st</sup> Annual Scientific Sessions; Providence, RI.
- 2017 \*Chuang, Y., **Flannery, M.**, Carey, M. Rochester Nursing Competence Theory. Podium presentation at: 28<sup>th</sup> International Nursing Research Congress; Dublin, Ireland.
- 2017 \*Chuang, Y., **Flannery, M.** Evolutionary concept analysis of nursing autonomy. Podium presentation at: Eastern Nursing Research Society 27<sup>th</sup> Annual Scientific Sessions; April 4-7, 2017; Philadelphia, PA.
- 2014 \*Seshadri, S., Eichinger, K., **Flannery M.** Fidelity measurement: Case exemplar of design and conduct. Poster presentation at: Eastern Nursing Research Society 26<sup>th</sup> Annual Scientific Sessions; Philadelphia, PA.

## TEACHING

### Formal Coursework

- 2025 Philosophical and Theoretical Foundations of Scientific Inquiry in Health Care Science – NUR 515
- 2008–Present Epistemology and Concept Development – Core course Ph.D. NUR 505
- 2008–Present Epistemology and Theory Construction – Core course Ph.D. NUR 506
- 2012 Leading Evidence-Based Practice Initiatives – Core course DNP NUR 572
- 2011–2013 Doctor of Nursing Practice Practicum II – Core course DNP NUR 585
- 2009 Doctor of Nursing Practice Practicum I – Core course DNP NUR 584
- 2008 Inter-professional Partnerships – Core course DNP 573
- 1995–1996 Multidisciplinary Management of Pain – BS Elective NUR 333
- 1987–1993 Acute Care Nurse Practitioner I and II / Medical Surgical Nursing I, II – Core course MS Program, Course Coordinator multiple semesters, Oncology Specialty Coordinator every semester

### FORMAL MENTORSHIP

- 2023–Present Lauen Ghazel, Assistant Professor
- 2020–Present Meghan Underhill, Assistant Professor
- 2021–2023 Jamie Olivia, Clinical Faculty Writing for Publication Fellowship
- 2021–2022 Yuri Choi, current Ph.D. student, Advisor
- 2019–2024 Zhihong Zhang, “Examining resilience in symptom response to cancer treatment among older adults with advanced cancer,” Dissertation Committee, Primary Advisor
- 2018–2023 Yingzi Zhang, Post-Doctoral, Assistant Professor, Mentor

2016–2020	Nathalie Dougoud, Ph.D., “Family member contributions in palliative care consultations among patients with advanced solid tumor cancer,” Dissertation Committee
2010–2016	Jamie Olivia, Ph.D., “Helper t-cell phenotypes and related cytokine gene expression in chronic graft vs host disease,” Dissertation Committee
2012–2014	Ruth Chimenti, Ph.D., “A case-control study of insertional Achilles tendinopathy impairments: Tendon characteristics, dorsiflexion range of motion, and plantar flexor strength,” Dissertation Committee
2005–2008	Carla Junquist, Ph.D., “The relationship among chronic pain, opiates, and sleep,” Dissertation Committee

## **SERVICE**

### **National/International**

2022–Present	Southwest Oncology Group (SWOG) Steering Committee: Enhancing Advanced Practice Providers' Role in Research (invited/appointed)
2021–Present	Editorial Board Journal of Geriatric Oncology (invited/appointed)
2019–Present	National Cancer Institute Working Group: “Patient Tolerability Consortium Common Data Elements” (Lead, Patient-Reported Outcomes)
2017	Oncology Nursing Society Foundation, Grant Reviewer
2016–2018	Oncology Nursing Forum, Associate Editor
2016–2018	American Society of Clinical Oncology Education Planning Committee: “Improving the Care of Older Adults with Cancer” (appointed)

### **Journal Reviewer**

2024–Present	Journal of the National Cancer Institute
2018–Present	Journal of Geriatric Oncology (Editorial Board 2021–Present, renewed 2024–2027)
2018–Present	Psychosocial Oncology
2017–Present	Cancer
2016–Present	Cancer Nursing
2016–Present	Supportive Care in Cancer
2015–Present	Journal of Oncology Practice
2001–Present	Research in Nursing and Health
1998–Present	Oncology Nursing Forum (Prior Associate Editor and Board member)
1990–Present	American Journal of Nursing

### **Committees & Task Forces (University of Rochester, School of Nursing)**

2025–Present	Dean’s Leadership Team (appointed)
2024–Present	School of Nursing Strategic Planning Committee Subgroup-Research (member)
2024–Present	Ph.D. Curriculum Revision Working Group (Chair)
2023–Present	Search Committee Jean E. Johnson Oncology Nursing Endowed Chair
2023–Present	Assessment Committee, School of Nursing (appointed)
2023–2026	University Faculty Senate (re-elected 2023–2026)

2022–Present	University Council on Graduate Education (appointed)
2022–Present	University Committee on Graduate Academic Affairs (appointed)
2022–Present	Senior Academic Leadership Team (SALT) (appointed)
2021–2022	Bylaws Revisions Task Force, School of Nursing (appointed)
2022–Present	Ph.D. Sub-Committee (Chair)
2018–2022	Ph.D. Sub-Committee (elected)
2017	School of Nursing Website Redesign/Research Task Force
2017	Wilmot Cancer Center Patient-Reported Outcomes Steering Committee (appointed)
2009–2022	Ph.D. Qualifying Examination (lead, committee member, and question writer)
2016–2022	Ph.D. Committee (elected)
2010–2013	Ph.D. Committee (elected)
2009–2010	School of Nursing Research Council (elected)
2000	Research Content & Curriculum Revisions Task Force (appointed)
1992–1993	Acute Care Nurse Practitioner Curriculum Development (appointed)
1991–1992	NLN Steering Committee (appointed)
1989–1991	Curriculum Committee (elected)

**Committees & Task Forces, University of Rochester Medical Center** *(selected)*

2024–Present	Wilmot Cancer Institute Peer Review and Monitoring Committee - ad hoc reviewer
2018–Present	Wilmot Cancer Nurse Scientist Steering Committee (invited)
2020–2024	Wilmot Cancer Institute Peer Review and Monitoring Committee (reappointed 2023–2026)
1994–2020	Wilmot Cancer Center Scientific Merit Peer Review Committee (appointed)
2008–2009	Chemotherapy Computer Order Entry (Chair, appointed)
2003–2004	Ambulatory Cancer Center Work Redesign Initiative (appointed)
1998–1999	JCAHO Pain Initiative Steering Committee (appointed)
1987–1997	Quality Improvement Committee (appointed)
1987–1989	Hospital Ethics Committee (appointed)

**Professional Memberships**

2014–Present	International Society of Nurses in Cancer Care
201–Present	American Psychosocial Oncology Society
2014–Present	Multinational Association of Supportive Care in Cancer
2013–Present	American Society of Clinical Oncology
2013–Present	Society of Behavioral Medicine
1996–Present	Oncology Nursing Society Advanced Nursing Research Community/Special Interest Group Genesee Valley Chapter
1990–1995	Society of Gynecologic Oncology Nursing
1982–1992	Sigma Theta Tau, Epsilon Xi Chapter

## **PROFESSIONAL LICENSES & CERTIFICATIONS**

Registered Nurse License: New York

Nurse Practitioner License: New York

Advanced Oncology Nurse Certification, 1995–2019

Updated August 2025
