EXPERIENCE

Instructor of Clinical Nursing, Dedicated Education Unit: *Accelerated Program for Non-Nursing, University of Rochester School of Nursing*, Rochester, NY, 05/2022 – present.

Create an engaged and interactive learning environment to maximize adult learning. Integrate classroom theory into clinical practice to assist in developing clinical judgement skills using real life, in-the-moment scenarios on an advanced medical-surgical floor including care of hospice patients. Promote safe practice and skill acquisition in controlled skills lab environment. Advising and mentoring students, develop individualized progression plans for academic alerts, promote professionalism and academic success.

Nurse Educator/Nurse Residency Coordinator, Emergency Department: *University of Rochester Strong Memorial Hospital*, Rochester, NY, 10/2019 – 05/2022.

Apply clinical nursing experience, leadership skills and educational background to maintain ongoing assessment, development, implementation and evaluation of the One-Year Emergency Department Nurse Residency Program.

Assistant Nurse Manager, Emergency Department: *University of Rochester Strong Memorial Hospital*, Rochester, NY, 05/2014-10/2019.

Demonstrate strong leadership skills to support a diverse nursing team. Responsible for meeting with and evaluating assigned staff group and assisting them to meet professional goals to assure high quality nursing care. Developed annual skills day lessons for various topics related to emergency nursing care. Involved in on-boarding student nurses and LPN's.

Registered Nurse, Staff Nurse on 7-1200 Med/Surg & Emergency Department:

University of Rochester Strong Memorial Hospital, Rochester, NY, 06/2008-5/2014. Charge trained bedside nurse providing care to thoracic, foregut and plastic surgery patients on unit 7-1200. Oriented to triage, trauma and charge nurse roles in the emergency department at a Level I Trauma Center and comprehensive Stroke, MI, and Burn Center. Worked as a primary preceptor on both 7-1200 and with nurse residents who oriented through the ED Nurse Residency Program.
