

## CLINT B. TAFT, BS, MS, RN

### Education

- 2005 University of Rochester, School of Nursing: Master of Science Degree in Health Care Leadership, Health Promotion, Health Education & Technology.
- 2003 Roberts Wesleyan College: Bachelor of Science Degree in Nursing
- 1990 Monroe Community College: AAS Degree in Nursing.
- 1986 Wyoming County Community Hospital: Graduate of LPN program.

### Professional Experience

I currently work at the University of Rochester, School of Nursing as an Assistant Professor of Clinical Nursing in the accelerated nursing program and in the RN to BS program. At the University of Rochester, School of Nursing, I teach clinical nursing for fundamental classes as well as advanced med surgical nursing and health assessment. I am also a course coordinator where I provide didactic content to students.

Another function of my job at the school of nursing has been student counseling with the Center for Academic and Professional Success (CAPS). The CAPS program fosters constructive relations and interaction between nursing students and faculty while cultivating personal and professional growth as well as a commitment to lifelong learning. As a member of the CAPS team, I provide academic and clinical support by helping students develop learning strategies, study habits, critical thinking abilities, and career management skills that are essential to their successful academic performance and professional advancement.

My clinical practice includes adult critical care, cardiac step down, medical/surgical nursing, nursing supervision and clinical education. My professional positions have been in critical care nursing in the intensive care unit, charge nurse, admission nurse coordinator, and nursing supervisor.
