NUR	436	Nursing Care of the High-Risk Neonate	3.00	Online synchronous sessions Tuesdays 5-7:00 p.m.			M. Marasco	Complete Online

1/11/2021

We offer additional non-degree courses and programs, including the Legal Nurse Consultant course and RN First Assistant course. Learn more on the [Center for Lifelong Learning webpage](#).

* Students taking non-matriculated courses in a masters nurse practitioner program must take NUR 401 - The Writing Workshop, before enrolling in NUR 403. We also recommend taking NUR 401 before NUR 400, another writing intensive course.

** We suggest and prefer NUR 436 students are baccalaureate-prepared and have NICU experience before starting the course.

FORMAT/INSTRUCTIONAL METHOD

In-Person	The majority of instruction occurs in-person, with no more than 30% of instruction delivered via distance technologies.
Complete Online	100% of class is delivered via distance ed. All class work, including exams, is online. No requirement for student to visit physical location of instruction.
Hybrid	More than 30% but less than 80% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.
Self-Paced	1) instructional materials electronically including exams, 2) Interaction between instructor and student is limited, not regular and primarily initiated by student.
Fast Track	Self-paced, fully online course completed independently by following sequenced online learning activities, and offered at a reduced tuition cost.
Flex Track	Flexible, instructor-led course in which students work at own pace to meet deadlines. No meeting times required. Billed at regular per credit hour tuition rate.
Online	At least 80% but less than 100% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.
