FORMAT / INSTRUCTIONAL METHOD

In-Person	The majority of instruction occurs in-person, with no more than 30% of instruction delivered via distance technologies.
Complete Online	100% of class is delivered via distance ed. All class work, including exams, is online. No requirement for student to visit physical location of instruction.
Hybrid	More than 30% but less than 80% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.
Self-Paced	1) instructional materials electronically including exams, 2) Interaction between instructor and student is limited, not regular and primarily initiated by student.
Fast Track	Self-paced, fully online course completed independently by following sequenced online learning activities, and offered at a reduced tuition cost.
Flex Track	Flexible, instructor-led course in which students work at own pace to meet deadlines. No meeting times required. Billed at regular per credit hour tuition rate.
Online	At least 80% but less than 100% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.
