## DELIVERY MODE

### Online

100% of class is delivered via distance ed. All class work, including exams, is online. No requirement for student to visit physical location of instruction.

### Fast Track/Self-Paced (Correspondence)

1) instructional materials electronically including exams, 2) Interaction between instructor and student is limited, not regular and primarily initiated by student. Self-paced, fully online course completed independently by following sequenced online learning activities, and offered at a reduced tuition cost.

---

**Hybrid**

More than 30% but less than 100% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.

---

**In-Person**

The majority of instruction occurs in-person, with no more than 30% of instruction delivered via distance technologies.
