We offer additional non-degree courses and programs, including the Legal Nurse Consultant course and RN First Assistant course. Learn more on the [Center for Lifelong Learning webpage](#).

* Students taking non-matriculated courses in a masters nurse practitioner program must take NUR 401 - The Writing Workshop, before enrolling in NUR 403. We also recommend taking NUR 401 before NUR 400, another writing intensive course.

** We suggest and prefer NUR 436 students are baccalaureate-prepared and have NICU experience before starting the course.

DELIVERY MODE

Online	100% of class is delivered via distance ed. All class work, including exams, is online. No requirement for student to visit physical location of instruction.
Fast Track/Self-Paced (Correspondence)	1) instructional materials electronically including exams, 2) Interaction between instructor and student is limited, not regular and primarily initiated by student. Self-paced, fully online course completed independently by following sequenced online learning activities, and offered at a reduced tuition cost.
Hybrid	More than 30% but less than 100% of class is delivered via distance ed. Course requires attendance at location of instruction for purposes integral to completion of the class.
In-Person	The majority of instruction occurs in-person, with no more than 30% of instruction delivered via distance technologies.
